Our **LIVETOUCH DUO** is the most compact FAP 45 dual-finger scanner available on the market. Its low weight and minimized size along with the low power consumption make it the first choice for mobile identity capture and verification.

The **LIVETOUCH DUO** combines highest image quality certified flat and rolled fingerprints with a secure and encrypted connection between the scanner and the computer.

Supported by Windows and Android™, **LIVETOUCH DUO** is perfectly suited for the integration into portable or mobile acquisition systems.
